REQUEST FOR QUOTATION

The Philippine Embassy in Seoul, Republic of Korea, is inviting companies to submit quotations for its procurement of one (1) brand-new motor vehicle for official use of the Embassy, in accordance with the “Guidelines for the Procurement of Goods and Services, Infrastructure Projects and Consulting Services to be Procured and Performed Overseas”, as approved by the Government Procurement Policy Board (GPPB) in its Resolution No. 28-2017 dated 31 July 2017.

The terms of reference of the project are listed in **Annex A**. Aside from the quotation, interested companies are required to complete Annex B, which contains the checklist of technical specifications, and submit a brochure of their proposed motor vehicle with the quotation. Incomplete submissions (*quotation without filled-out Annex B or vice versa*) shall be considered ineligible.

The last day to submit quotations is Thursday, 19 March 2026, at 5:00 p.m. Interested suppliers may send their duly signed proposals to seoulpe@philembassy-seoul.com and address it to **Ms. Anna Gabriella E. Guinto**.

For further inquiries, please contact the Philippine Embassy at the telephone number (02)788-2100/2101 ext. 142 for English and ext. 141 for Hangul.

PROCUREMENT OF MOTOR VEHICLE FOR OFFICIAL USE OF THE EMBASSY

Terms of Reference

The Embassy of the Philippines intends to purchase one (1) brand-new motor vehicle from a reputable company for official use of the Embassy.

I. Scope of Work

The Company shall supply and deliver one (1) brand new motor vehicle based on the technical specifications provided by the Embassy.

II. Technical Specifications

A. General

Classification	Brand New
Body Type	Passenger Van
Passenger Capacity	At least 9 persons (including driver)

Exterior Dimensions

Overall Length	5,155 mm, +/- 50 mm
Overall Height	1,785 mm, +/- 50 mm
Overall width (with mirrors)	1,995 mm, +/- 50 mm
Overall width (without mirrors)	1,744 mm, +/- 50 mm
Wheelbase	3,090 mm, +/- 50 mm
Wheel Tread	Front - 1,744 mm, +/- 50 mm Rear - 1743 mm, +/- 50 mm
Unladen Weight	2,165 kg, +/- 10 kg

Engine

Engine	Turbo Hybrid
Displacement	1,598 cc
Max. Power	180 ps / 5,500 rpm / 54 k W (electric motor)
Max. Torque	27.0 kgf.m / 1,500~4,500 rpm / 304 Nm (electric motor)
Tires	For 18 inches - 235/60R18 For 19 inches - 235/55R19
Brake	Ventilated disc (front and rear)
Suspension	MacPherson Strut (front) Multi-link (rear)

Transmission	6-power Automatic Transmission
--------------	--------------------------------

Fuel Economy

City Fuel Economy	At least 14.0 km per liter
Highway fuel economy	At least 12.0 km per liter
Combined	At least 13.5 km per liter

Color

Exterior	Black
Interior	Beige / Brown

B. Other Features

Safety

<i>8 airbags (driver/passenger advanced, driver's knee, first row center side, rollover detention curtain, first row side)</i>	A total of eight airbags, including a front seat center side airbag, driver's knee airbag, advanced airbags for the driver and front passenger, first-row side airbags, and rollover-sensing curtain airbags, further protect passengers in the event of an accident.
<i>Front/Rear Parking Distance Warning</i>	Warns the driver to avoid colliding with objects around the vehicle at low speeds.
<i>Crosswind Stability Control</i>	When the vehicle is pushed or shaken laterally by a strong crosswind, the Electronic Stability Control (ESC) and the Electric Power Steering (EPS) work together to improve the vehicle's driving stability.
<i>Emergency Braking Warning System</i>	This system warns following vehicles of a dangerous situation by rapidly blinking the brake lamp when a vehicle suddenly stops while driving or when the anti-lock brake system (ABS) is activated during braking.
<i>Individual Tire Pressure Warning System</i>	This is a device that notifies the driver when the tire pressure

	falls below a certain standard through a sensor mounted on each wheel
Seat Belt Reminder for All Seats	When the ignition is turned on, the warning light will illuminate for approximately 6 seconds, regardless of whether the seat belt is fastened. If the belt is unfastened while driving, the warning light will illuminate only at speeds below 20 km/h. At speeds above 20 km/h, the warning light and sound will activate.
Temporary Tire Repair Device	This device is used to adjust tire pressure only when tire pressure is insufficient due to a puncture of the tread (bottom surface) caused by a nail or sharp object.
Fire Extinguisher	It helps in the initial extinguishment of an unexpected fire.

C. Other Features

Built-in Black Box / Dashboard Camera

III. Approved Budget for the Contract

The Approved Budget for the Contract (ABC) is **Forty-Eight Million and Seven Hundred Thousand Korean Won (KRW 48,700,000)**, inclusive of all applicable fees and taxes.

IV. Delivery Terms

The delivery period of the brand-new motor vehicle shall be within six (6) months upon receipt of the approved Notice to Proceed (NTP), and the delivery site shall be at the address below:

Embassy of the Republic of the Philippines
80 Hoenamu-ro, Yongsan-gu, Seoul

V. Payment Terms

Payment shall be made through bank deposit or transfer within ten (1) working days upon complete delivery of the brand new vehicle with the

correct specifications, and upon receipt of invoice.

VI. *Warranty Period*

The Company shall provide a warranty for the following, starting from the delivery date of the brand-new vehicle:

<i>Vehicle Body and General Parts</i>	At least 3 years or 60,000km, whichever comes first
<i>Engine and Powertrain parts</i>	At least 5 years or 100,000km, whichever comes first
